The Board of Commissioners of the Jersey City Redevelopment Agency met in a Regular Meeting at the Agency office, 30 Montgomery Street, Jersey City, New Jersey on Tuesday, February 18, 2014 at 6:00 p.m., the place and date duly established for the holding of such Meeting. The Chairman called the Meeting to order at 6:10 p.m., and upon roll call the following answered **present**:

**ROLANDO L. LAVARRO, JR.**

**EVELYN FARMER**

**DIANE COLEMAN**

**RUSSELL VERDUCCI**

and the following were **absent**: **TIMOTHY MANSOUR**. The Chairman thereupon declared a quorum present. Also present at the Meeting were Christopher Fiore, Executive Director; Anthony Pantano, Esq., and Henry J. Amoroso, Esq., General Counsels; Barbara Amato, Secretary to the Board and secretary for the Meeting; Ben Delisle, Director of Development; Mary Pat Noonan and Franklyn Ore, Project Managers; Gary Higgins, the Agency's auditor and those listed on the attached Attendance Sheet.

Immediately following the Pledge of Allegiance the Assistant Executive Director announced that in accordance with the "Open Public Meetings Act," a copy of the Public Notice was sent to the Jersey Journal and to the City Clerk for the public's review and information.

Mr. Higgins addressed the Board with regard to the Agency's 2014 Budget. He indicated that the Division of Local Government Services approved the budget which was introduced at the December meeting and that Board would be approving the final Budget at this meeting.

Accordingly, the following Resolutions were introduced and duly seconded:

**RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE  
JERSEY CITY REDEVELOPMENT AGENCY APPROVING THE  
FISCAL YEAR JANUARY 1, 2014 TO DECEMBER 31, 2014  
ANNUAL BUDGET AND CAPITAL BUDGET**

(See Resolution #18, dated February 18, 2014 attached hereto.)

Accordingly, the following voted "AYE": Commissioners Coleman, Farmer, Lavarro, and Verducci; and the following voted "NAY": None. The Chairman thereupon declared the Motion carried and the Resolution adopted as introduced.

The Chairman then noted there were two presentations. The first presentation would be by Mr. Leonard Parness of Parness Trucking. John Frohling, Esq. spoke first on behalf of Mr. Parness and indicates where the project is located on Pacific Avenue. He noted that Mr. Parness has a vision of the community. In order to embark on the project, Mr. Parness would need control over the entire property in order to get financing. Mr. Parness has two groups who have made financial commitments in order to see this project to fruition. Notification from PPG has been received indicating that there are no hexavalent chromium on the property. Mr. Frohling then introduced the architect, Stephen Kawalek. Mr. Kawalek noted that he wanted to preserve the main building and use it as the anchor for the development. It is a 6-story mixed-use on Pacific Avenue with ground floor commercial. On Hallady Street would be a 3-story structure and all would meet the benchmarks for density and height. Mr. Frohling indicated the location of the buildings has to blend with the residential area next to it. He then introduced the development entity, Mr. Schneier, who indicated that a development is viable for the location. He introduced himself as the president of a large real estate development firm, noting it is a relatively new company. He noted that he is working on current projects in Bloomfield and Woodridge. Mr. Schneier also noted that he is a licensed attorney and broker. He informed the Board of his

employment history and noted his expertise is in development schemes that make sense financially.

Mr. Frohling stated that two of the lots were lost through a tax sale and they cannot get any financing because these two lots prevent them from developing the property. He noted he was in communication with legal staff of the City and it is their belief and hope that these lots will be coming back to the Agency to be dealt with.

The next presentation is by M Management for a mini-storage facility at 15 E. Linden Avenue. Mr. Tom Leane speaking for the development team noted that M Management submitted a proposal in answer to the RFP for 15 E. Linden Avenue. Mr. Leane showed a picture of a warehouse next to what the City is developing as Public Works facility. M Manages proposes to use this as a mini-storage facility but will need help on the access.

At this time the Commissioners decided to go into Executive Session. Upon Motion of Commissioner Coleman, seconded by Vice Chair Farmer, the Board went into closed session.
