A request for a copy of Public Records should be submitted on this form to Barbara Amato, \_\_\_\_\_ to the Jersey City Redevelopment Agency and the Custodian of Records. Some records will be immediately available during normal business hours. Some records will require time to compile and to make the copies requested, but will normally be available during normal business hours and within seven (7) business days. If any document or copy which has been requested is not a public record or cannot be provided within the seven (7) business days, you will be provided with a response with that information within the next seven (7) business days. Some records requested have specific fees or other response times established by statute. There is no fee involved in simply inspecting a document during normal business hours. In general:

- Immediate access is ordinarily available for budgets, \_\_\_\_\_ vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee salary and overtime information. Minutes of public meetings will be generally available immediately after the minutes have been approved.
- Records which are not readily available or which will require a search of records will be made available as soon as possible and the requester will be provided with an interim report within seven [7] business days indicating the time which will be required to provide the records.
- Except as otherwise provided by law or regulation, the fee assessed for the duplication of a printed record shall be:
  - \$0.05 per page for letter sized pages and smaller;
  - \$0.07 per page for legal sized pages and larger;
  - If the actual cost to produce paper copies exceeds the \$0.05 and \$0.07 rates, custodians may charge the *actual cost* of duplication;
  - Electronic records are *free of charge* (i.e., records sent via e-mail and fax);
  - Actual cost to provide records in another medium (i.e., computer disc, CD-ROM, DVD).
- For blue prints, drawings, plans and technical specs, etc. sized between 11" x 17" to 2 x 3 feet each page will be charged at \$2.00; for blue prints, drawings, plans and technical specs sized larger than 2 x 3 feet, each page will be charged \$5.00 as provided by Jersey City City Code #160-1.
- Whenever government records cannot be reproduced by regular copying equipment or fulfillment of the request would involve extraordinary time and effort (for example, where a large number of records must be recovered from storage or substantive staff time is required to review, redact, sort and/or assemble records for inspection by the requestor or copying), changes may be imposed as follows:
  1. The actual cost of (materials and supplies but no staff labor) of duplication or reproduction; plus
  2. A special service charge of **\$32.00** per hour or the actual direct cost of labor (if less) shall be imposed for each hour of extraordinary time predicted to be utilized to respond to the request.
- Where a request is for a copy in a format other than a photocopy, reasonable efforts will be made to provide the information in the format requested. The cost will be based on the costs of producing the format requested.
- Where a legal determination must be made as to whether records are "public records" as provided by law, the request will be reviewed by the Agency Attorney.

The term "public records" generally includes those records determined to be public in accordance with *N.J.S.A. 47:1A-1*. The term does not include employee personnel files, \_\_\_\_\_ other matters in which there is a right of privacy or confidentiality or which is specifically exempted by law.

**NOTICE OF RIGHT TO ACCESS GOVERNMENT RECORDS OF THE JERSEY CITY REDEVELOPMENT AGENCY.**

The New Jersey Public Access to Government Records Act N.J.S.A. 47:1A-1 et. seq. (the “Act”) requires that the City grant members of the public access to government records as defined in the Act. The Act safeguards from disclosure proprietary and private records and information.

Requests for government records may be made anonymously.

Upon payment of the applicable fee, the Agency is required to make government records available within the following time periods:

Immediate access will be provided to budgets, bills, vouchers, contracts, including collective negotiations agreements, individual employment contracts, and public employee salary and overtime information. Immediate access will be provided as soon as reasonably possible following receipt of the request if the record is not being used and is not in archives or storage.

Not later than seven (7) business days after receiving the records request access will be granted or denied to all other government records provided the record(s) (are) is currently available, not in use and not in storage or archived. Failure of the Custodian of Government Records to respond within seven business days after receiving a request is deemed a denial, unless the requestor has elected not to provide a name, address or telephone number, or other means of contacting the requestor, in which case the Custodian of Government Records shall not be required to respond until the requestor reappears before the Custodian seeking a response to the original requests.

The requestor is entitled to be advised in advance of the estimated amount of fees and charges to be imposed by the Agency for the reproduction costs and other special services requested.

**Appeal Procedure – Denial of Access to Requested Record.** A person who is denied access to a government record by the custodian of the record, at the option of the requestor, may:

- 1) Institute a proceeding to challenge the custodian’s decision by filing an action in Superior Court which shall be heard in the vicinage where it is filed by a Superior Court Judge who has been designated to hear such cases because of that judge’s knowledge and expertise in matters relating to access to government records, or
- 2) In lieu of filing an action in Superior Court, you may file a Complaint with the Government Records Council established pursuant to Section 8 of P.O. 2001, c.404 (C. 47:1A-7).

The right to institute any proceeding under this section shall be solely that of the

requestor. Any such proceeding shall proceed in a summary or expedited manner. The public agency shall have the burden of proving that the denial of access is authorized by law. If it is determined that access has been improperly denied, the Court or agency head shall order that access be allowed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee.

Assistance may be obtained by calling the toll-free helpline of the Government Records Council 866-850-0511 or by logging on to that agency's informational website: [grc@dca.stat.nj.us](mailto:grc@dca.stat.nj.us).
