- Q: Can bidders visit the storage location ahead of time?
- A: No.

- Q: What level of packaging and protection are we expecting?
- A: The items need to be protected from damage. The relocation expert should advise on how best this can be accomplished.

- Q: Is there anything that needs to be moved on the 2nd Floor?
- A: There are no items on the 2nd Floor that need to be moved.

- Q: Does the relocation specialist need to disconnect anything in the projection room for the move?
- A: No, nothing will need to be disconnected by the relocation specialist.

- Q: Can the relocation specialist and crew park alongside the Theatre?
- A: Yes, if you can fit your vehicles in the space outlined against the Theatre.

- Q: Are any new items being added to the lists?
- A: No, the lists that are part of the RFB contain everything that needs to be moved.

- Q: During the (2) years 1,500 sq ft material storage period, would you need to have access or have us deliver any of the items?
- A: No, we would not need access or have any of the items delivered during that time.

- Q: Should we consider any additional items apart from the attached LOEWS JCRA Jersey City Theatre items inventory?
- A: No, only consider the items that are listed.

- Q: The move can be completed during normal business hours (9 A.M.-5 P.M.) Could we start packing before this time?
- A: No, everything will happen between 9 A.M. – 5P.M. per the RFB.
